1 SCOTT COKER - HIGHLY CONFIDENTIAL

2 Q. Those are called Bates numbers or control  
3 numbers, it just tells the lawyers what the pages  
4 are.

5 And from time to time as we look at  
6 exhibits, I may refer to those numbers rather than  
7 the numbering on the page.

8 What I want to do is just direct your  
9 attention, Mr. Coker, to the second email from the  
10 top on the first page of the document at 2679256.  
11 You see it's an email from Shannon Knapp to  
12 cokeriec@aol.com.

13 All right. Tell you what, could we go off  
14 the record for a moment.

15 THE VIDEOGRAPHER: Going off the record.  
16 The time is 9:51 a.m.

17 (There was a discussion off the  
18 record.)

19 THE VIDEOGRAPHER: Going back on the  
20 record. The time is 9:56 a.m.

21 MR. KELLY: Counsel, as we just discussed  
22 off the record, I'm going to designate the entirety  
23 of this transcript highly confidential, pursuant to  
24 the terms of the stipulated protective order, subject  
25 to the procedures in that protective order of after

receiving a copy of the transcript dedesignating portions or lower the designation, whatever is appropriate.

But for now, we'll go with highly confidential.

MR. DELL'ANGELO: Okay. Thank you.  
Understood, agreed. That's fine.

Also just note for the record that on the break, we confirmed and received Mr. Coker's signed copy of the protective order in the case.

BY MR. DELL'ANGELO:

Q. So Mr. Coker, returning your attention to Exhibit 3, with which you were provided just before we went on our break, that was the document at ZFL-2679256, I understand that the print is very small.

Have you had an opportunity to take a look at the document during our break?

A. I've tried.

Q. Have those efforts yielded any success in reading the print, notwithstanding its size here?

A. No, it has not.

Q. Okay. All right. So let's walk through this.
